**324 N. COVE SCHOOL ROAD, MARION, NC 28752**

**Tobi Peters** currently serves as the CFO and Women's Pastor for FIRE International, a mission sending agency. She also teaches at FIRE School of Ministry and is on the Apostolic Team of FIRE Church, located in Concord, North Carolina. She has extensive ministry experience as both a single and married minister of the gospel. Her gifts include preaching, counseling, worship, and leadership.

Tobi's heart is to see women released into their identities and destinies. She believes that each person is valuable and has something to release to the Body of Christ. She also carries an anointing to help people reach out to experience the Love of God in a more intimate way.

Tobi and her husband, Josh, live to see the nations of the world touched for Jesus. As they travel the world ministering to churches, the lost, and their missionaries, they are able to see lives touched and changed for the Kingdom of God.

**Jeana Gladstone** has a heart for seeing women find their true beauty and identify in Jesus Christ, the Author of "Truth, Beauty, and Goodness". She is a prophetic worshipper and an exhorter, who seeks to challenge women to step into the freedom and dignity that God has provided. Her passion is seeing the kingdom of God come in practical life. She is the wife of Robert Gladstone, and the mother of five awesome kids, whom she has homeschooled. Jeana loves it when God shows up and changes everything.

**Cindy Panepinto** currently serves on the Apostolic Leadership Team at Fellowship for International Revival and Evangelism (FIRE). She is also the Director of Operations for AskDrBrown/ICN Ministries supporting a syndicated radio program, Line of Fire. Cindy has started and led Women in Strategic Leadership, which is a group of peer level women who meet together and seek direction for expanding the Kingdom of God in their region.

It is also her desire to see people raised up to their potential in Christ, living out a strong radical relationship with Jesus and stepping out in their gifts and callings. Her life goal is to be about the Father's work, and see the Kingdom of God expanded for His glory. She ministers with an apostolic and prophetic anointing and brings a 'kairos' word in due season.
