RETURNING WITH PAUL TO ANTIOCH AND BACK HOME

SESSION 10A

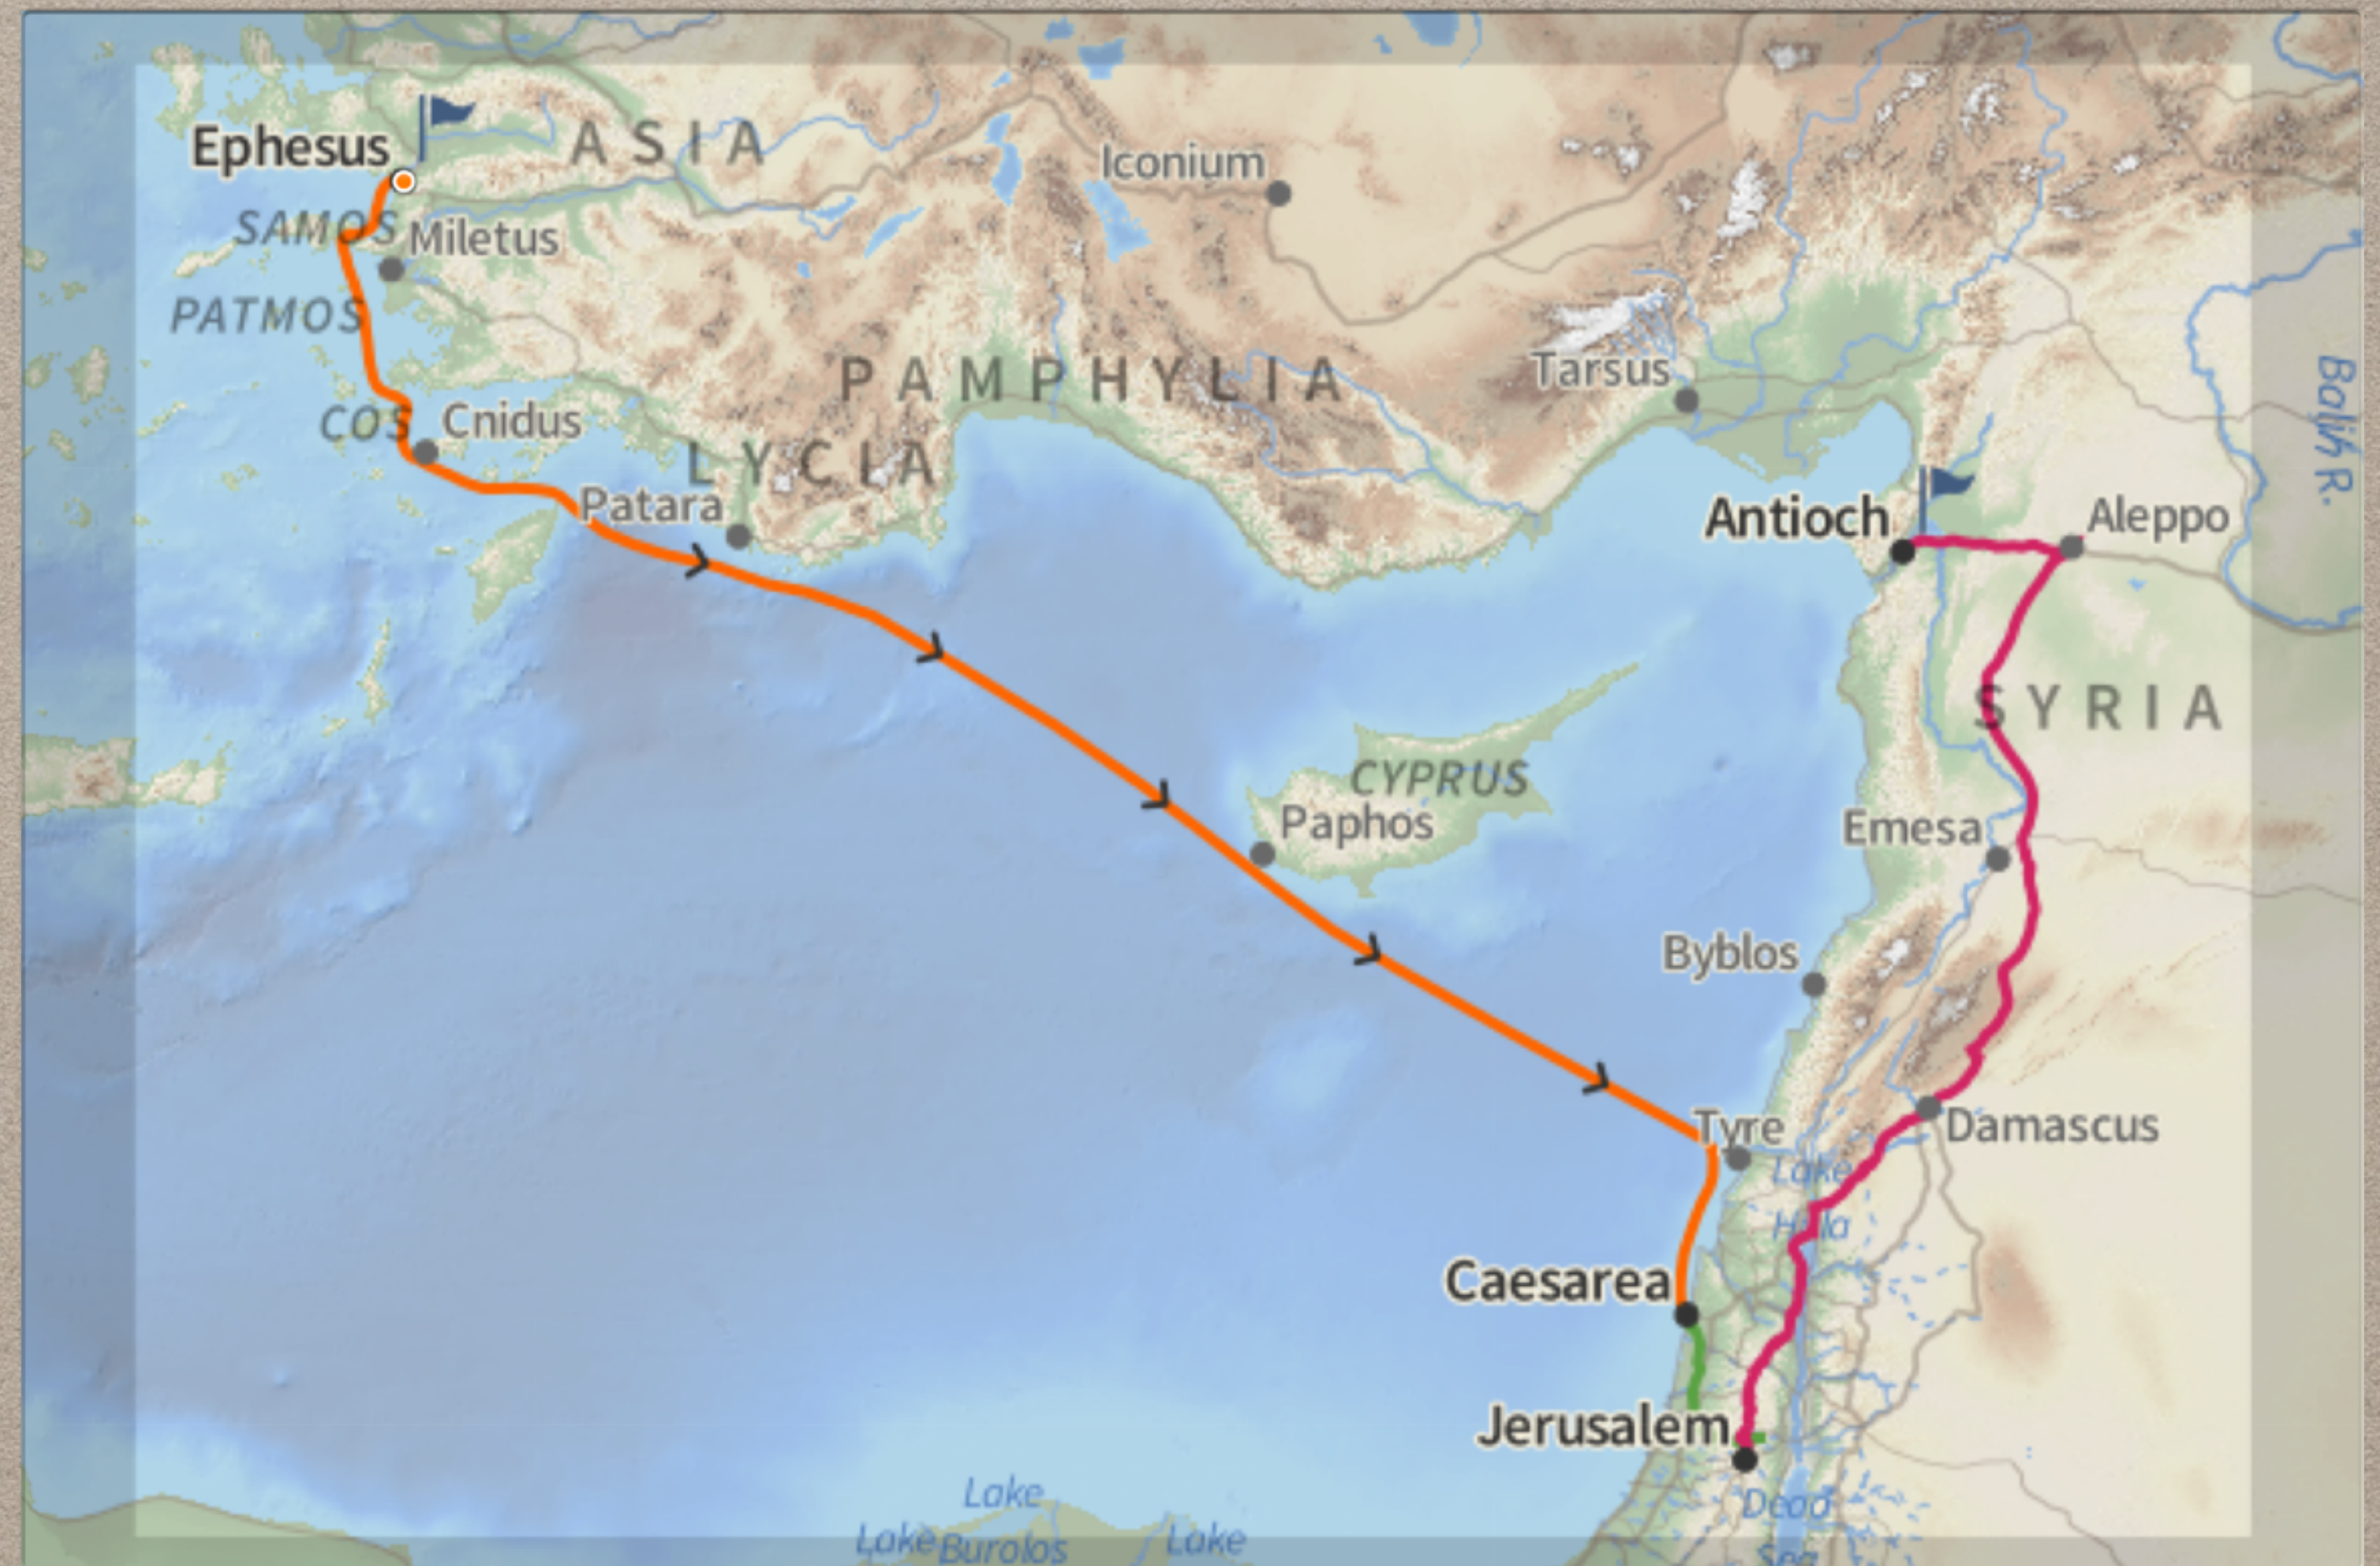

TIMOTHY ACCOMPANIES PAUL BACK TO ANTIOCH

- What happened to Silas?
 - No further word here, but probably became an associate of Peter's (1 Pet. 5:12)
- Pierson, p.66f.
- Brief, understated stop in Ephesus.

TIMOTHY ACCOMPANIES PAUL BACK TO ANTIOCH

- Timothy presumably gets to meet the churches of Caesarea, Jerusalem, and Antioch.
- This is Paul's final visit to the church that sent him out.
- Reporting and ministering, being refreshed

PAUL'S THIRD JOURNEY

- Passing through Paul's home country

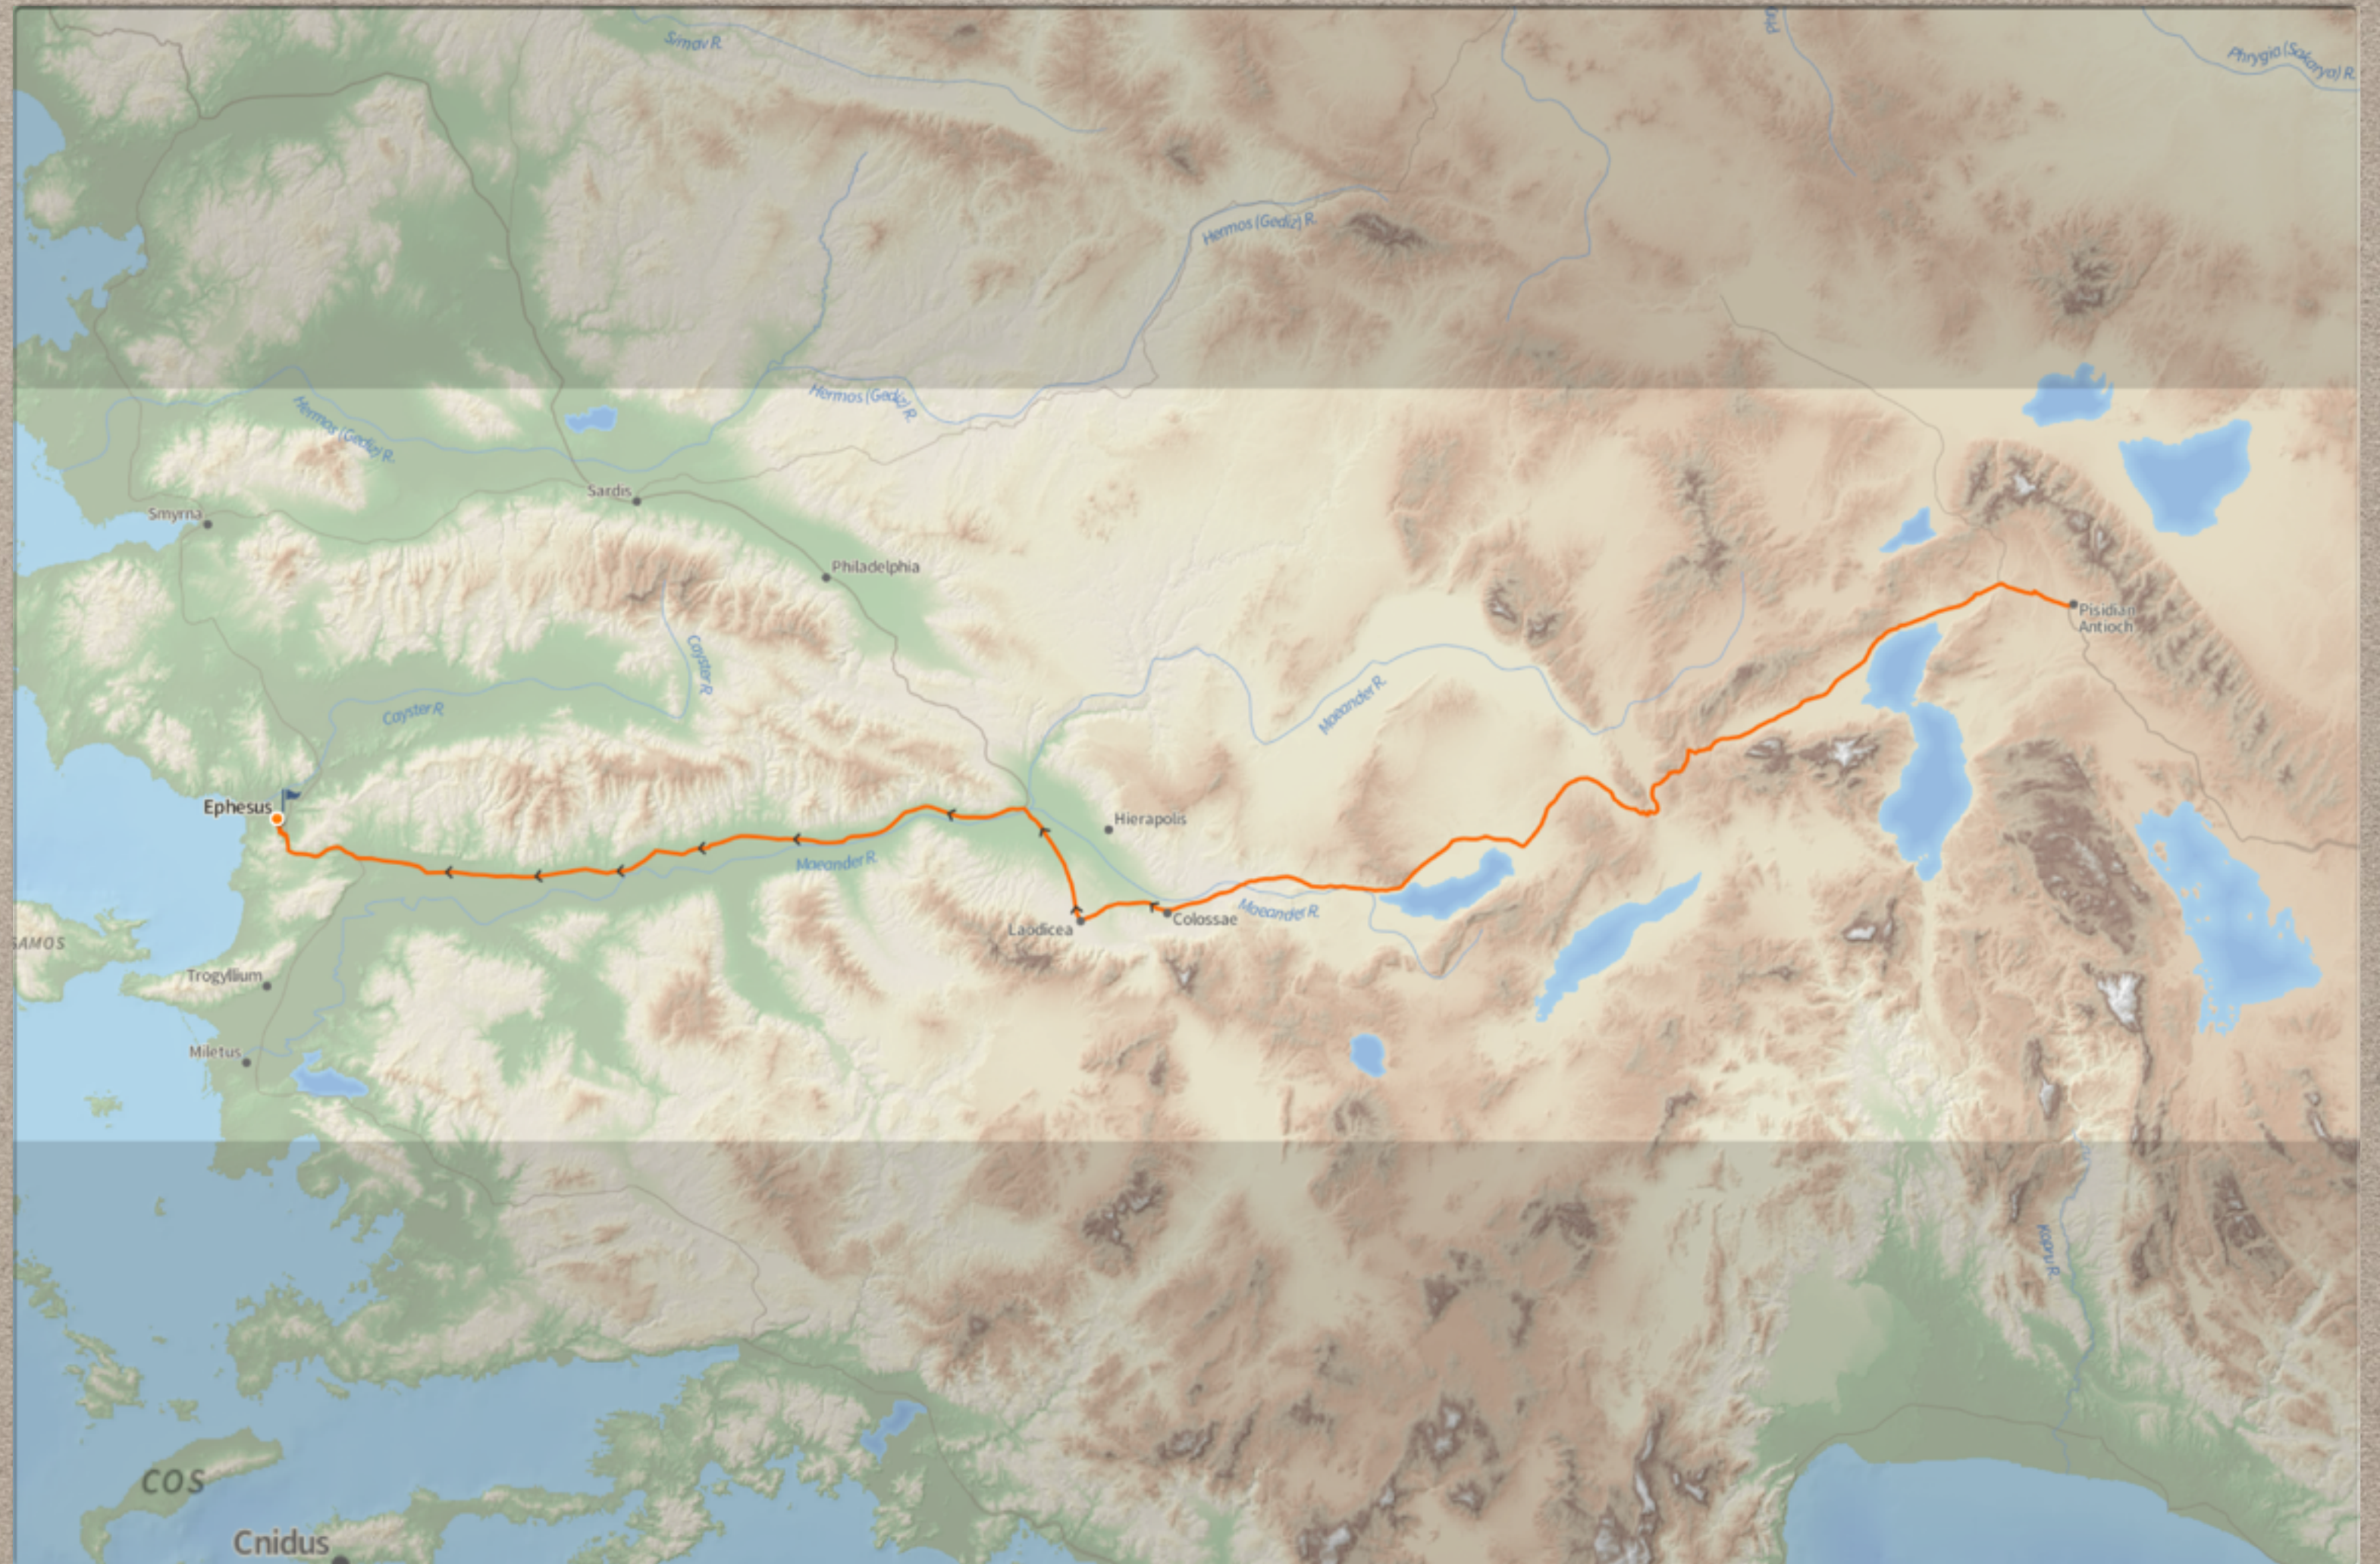

TIMOTHY'S SECOND JOURNEY

- Passing through Timothy's home country
- Difficult in at least these ways:
 - Being seen as "just" the old Timothy (possibly well received or without honor)
 - Seeing those he cares about, knowing only that he does not know what awaits, or whether he'll return

ON TO EPHEBUS

- Now they get to go down the path they were previously forbidden to travel, through Asia into Ephesus.
